Thanks Lindsey and all -

I specifically did not request a retainer from Lubbock County because I was assured that my invoices would be paid as they came up. The county has been ordered to appear at oral argument next month in front of the Amarillo Court of Appeals and I am set for that argument.

I will not be able to conduct that work for the county if I am not paid the past-due invoices and assured that my work toward that appellate argument, which has been ordered by the court and approved previously by the county, will be paid.

Please advise immediately,

Kristen LaFreniere

Mrs. LaFreniere,

Good morning, in reference to your invoice for legal fees in the Mark Meurer case in the amount of $4569.50, I do not believe it is the Courts will to pay those currently. If Anything changes, or you have any other questions, please don't hesitate to reach out.
